

# Final Project Submission Checklist

Congratulations on finishing the final project!

Follow the checklist below to verify that your project meets all requirements before submission.

**Submit your work through either Option 1: AI-Graded Submission and Evaluation or Option 2: Peer-Graded Submission and Evaluation, depending on the submission path you choose for project evaluation.**

Follow the submission checklist below if you are proceeding with **Option 1: AI-Graded Submission and Evaluation**:

You will be marked as per the following tasks (20 points):

**Task 1:** Have you submitted the **index.html** file that includes the following functionalities:

- Your own name appears in the top-left corner instead of “Jane Doe.” – **1 point**
- A navigation bar includes About Me, Project Details, Skills, and Recommendations. – **2 points**
- A unique About Me section includes a unique profile image, name & text reflecting a summary of learners profile. – **2 points**
- Three new skills are added with proper logos and text formatting, distinct from the default ones. – **3 points**
- Three new projects are added with appropriate headings, different from the sample ones. – **3 points**
- Three new recommendations are included in the correct format and differ from the sample ones. – **3 points**
- The Home icon works correctly and navigates to the top of the page. – **1 point**

**Task 2:** Have you submitted the **style.css** file that includes the following styling updates:

- Your name is correctly styled in the profile section. – **1 point**
- About Me, Project, Skills, and Recommendations appear bold and underlined when hovered over. – **1 point**

**Task 3:** Have you submitted the **script.js** file that includes the following functionality:

- showPopup is triggered only when a new recommendation is submitted. – **1 point**

**Task 4:** Have you taken a screenshot and saved it as **functionality.png**, which shows the following: – **1 point**

- Your name (not “Jane Doe”) appears in the top-left corner.
- The navigation bar includes About Me , Project Details, Skills, and Recommendations and styled on hover.
- A personalized profile with your name, unique image, and summary text is displayed.
- Three new skills are added, showing all five with logos and correct formatting.

**Task 5:** Have you taken a screenshot and saved it as **new\_recommendation.png** which shows that when a new recommendation is provided, it gets added to the existing list of recommendations.– **1 point**

Follow the submission checklist below if you are proceeding with **Option 2: Peer-Graded Submission and Evaluation**:

You will be graded as per the following rubric (20 points):

**Task 1:** Have you taken a screenshot of the “NAME” appearing in the top-left corner and styled it as shown in the sample image and saved it as **profile name.png**. – **3 point**

**Task 2:** Have you taken a screenshot and saved it as **nav\_bar.png** which shows that the navigation bar has all four options (About, Project details, Skills, Recommendations), the font becomes bold on hover, text is underlined. – **3 point**

**Task 3:** Have you taken a screenshot and saved it as **aboutme.png** which shows that the “About Me” section has a unique profile image, name & text reflecting a summary of learners profile. – **3 point**

**Task 4:** Have you taken a screenshot and saved it as **skills.png** which shows that 3 new skills have been added by the learner and all 5 skills (including the 2 present earlier) are appearing with logo & text in the specified format. – **3 point**

**Task 5:** Have you taken a screenshot and saved it as **projects.png** which shows that there are 3 Project details that are styled, changed from the default ones given in the sample, and listed as specified in the sample image. – **2 point**

**Task 6:** Have you taken a screenshot and saved it as **recommendations.png** which shows that there are 3 recommendations that are styled, changed from the default ones given in the sample as specified in the sample image. – **2 point**

**Task 7:** Have you taken a screenshot and saved it as **new\_recommendation.png** which shows that when a new recommendation is provided, it gets added to the existing list of recommendations. – **1 point**

**Task 8:** Have you taken a screenshot and saved it as **home\_icon.png** which shows that the Home icon appears as specified in the sample image. –**1 point**

**Task 9:** Have you taken a screenshot and saved it as **popup.png** which shows that upon submitting a recommendation, a pop-up appears having a confirmation message as show in the sample image. Eg.,“Thank you for submitting a recommendation!” –**2 point**
